

Privacy Policy

Last Updated: August 14, 2024

Thank you for using AlgoGaze ("we," "our," or "us"). We are committed to protecting your privacy and ensuring that your personal information is handled safely and responsibly. This Privacy Policy outlines the types of information we handle, how we use it, and the measures we take to safeguard your privacy.

1. Information We Handle

1.1 Face Detection Software:

- AlgoGaze uses face detection software to analyze images. This analysis is done entirely within your browser.

1.2 Client-Side Processing:

- All processing happens in your browser. We do not send your images or any related data to any server or database. Everything is handled client-side, ensuring your data remains private.

2. How We Use Your Information

2.1 Image Processing:

- The images you upload are processed locally in your browser. They are not saved, stored, or transmitted to any external servers.

2.2 No Data Collection:

- We do not collect any information about your identity, location, or usage of the AlgoGaze application. Your interaction with the app is entirely private and anonymous.

3. Data Storage and Security

3.1 No Data Storage:

- Since all processing is done client-side, there is no data storage. We do not save images or any other data.

3.2 Security Measures:

- Although no data is stored or transmitted, we take care to ensure that all processes remain secure within your browser environment. However, no system is entirely impenetrable, and we cannot guarantee the absolute security of your device.

4. Third-Party Services

4.1 Hosting Provider (Vercel):

- AlgoGaze is hosted on Vercel, a third-party platform that may collect and store certain non-personal data such as IP addresses, access logs, and usage metrics for operational and security purposes. However, Vercel does not have access to the images you upload or any other personal data processed by the application, as all image processing happens entirely client-side.

5. Your Rights

5.1 Privacy and Control:

- Since no personal data is collected or stored, there are no personal records for you to access or request deletion of. Your interaction with AlgoGaze remains entirely under your control.

6. Changes to This Privacy Policy

6.1 Updates:

- We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page. You are advised to review this Privacy Policy periodically for any updates.
